

Members Guide to finding stock and placing orders

# WoodScanner table of contents

## 1 Login to your secure dashboard area

- 1.1 Login
- 1.2 Edit your details

## 2 Find, compare and order timber products

- 2.1 Define your search
- 2.2 Refine search results
- 2.3 Viewing search results
- 2.4 View stock details
- 2.5 Add stock to your basket
- 2.6 Build your order
- 2.7 View supplier's full catalogue
- 2.8 Add more products

## 3 Order confirmation procedure

- 3.1 Checkout notes and submit order

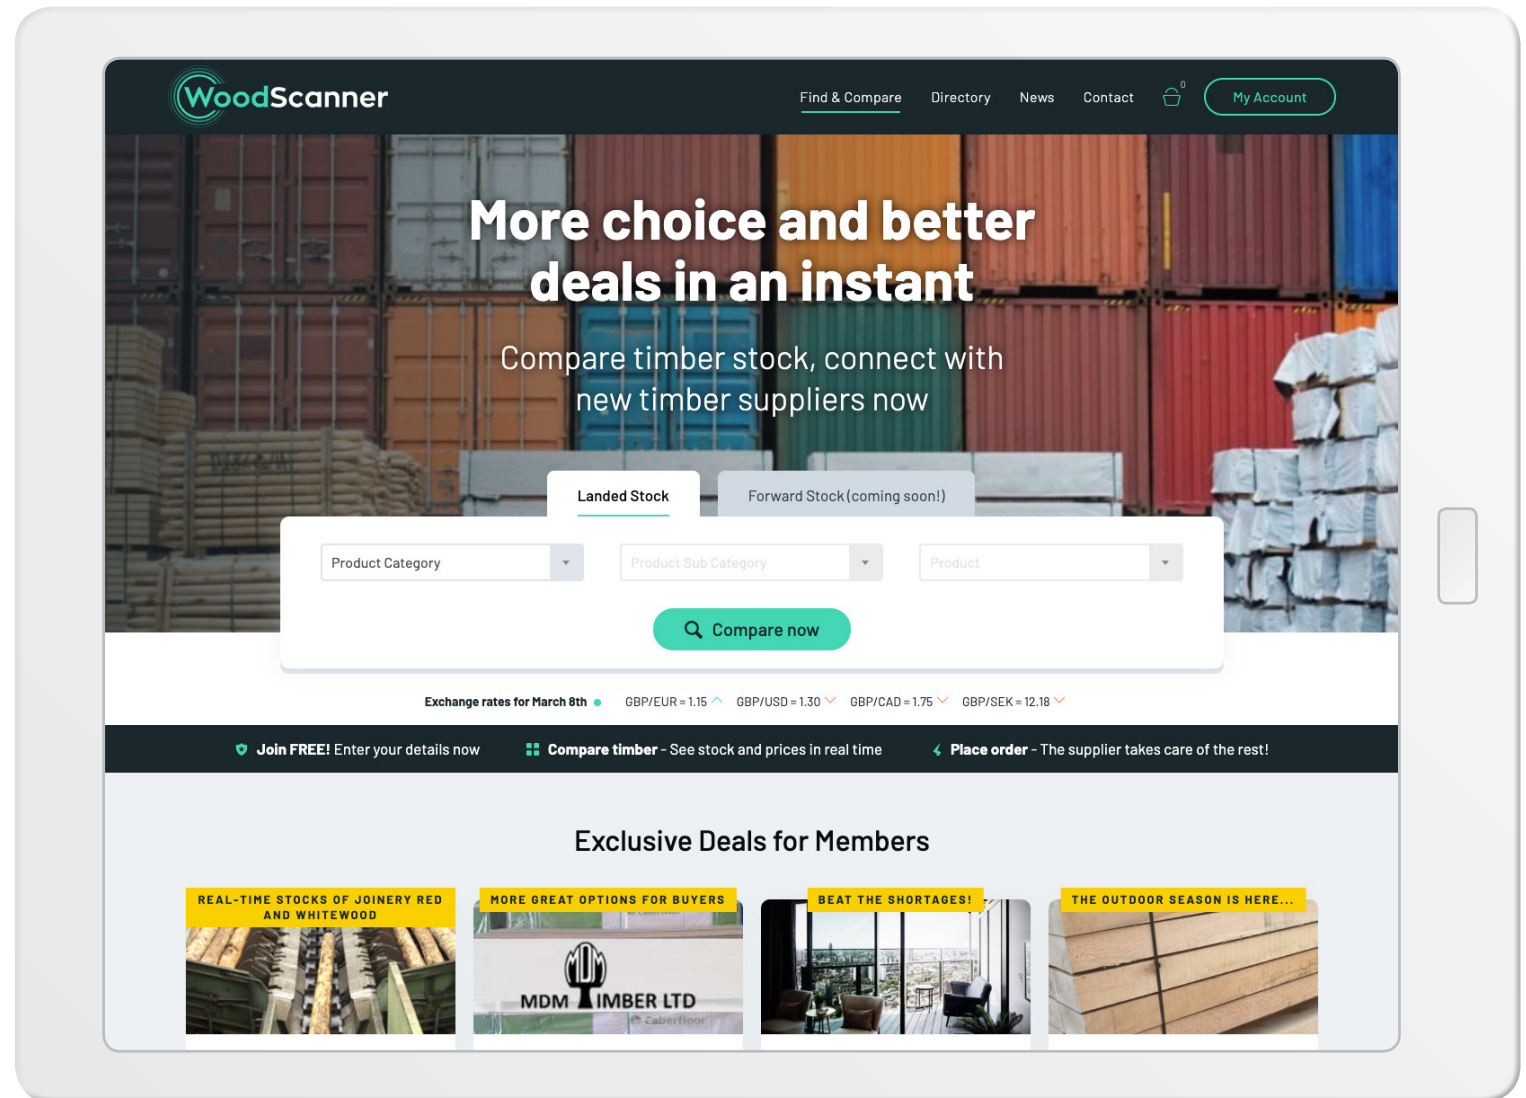

## 4 Tips and shortcuts to navigate WoodScanner

- 4.1 Tips and shortcuts

Enjoy the benefits of viewing the widest range of timber products ever displayed on a digital platform.

No more out of date PDF files. View the marketplace in **real time**, before making your purchasing decisions.

A background image showing a close-up, slightly blurred view of a stack of light-colored wooden planks, likely pine or similar softwood, arranged in a stepped fashion.

# 1.1

Return to contents

You have now received your login credentials and are ready to start finding and comparing products on the site.

First step, **login** to your secure dashboard.

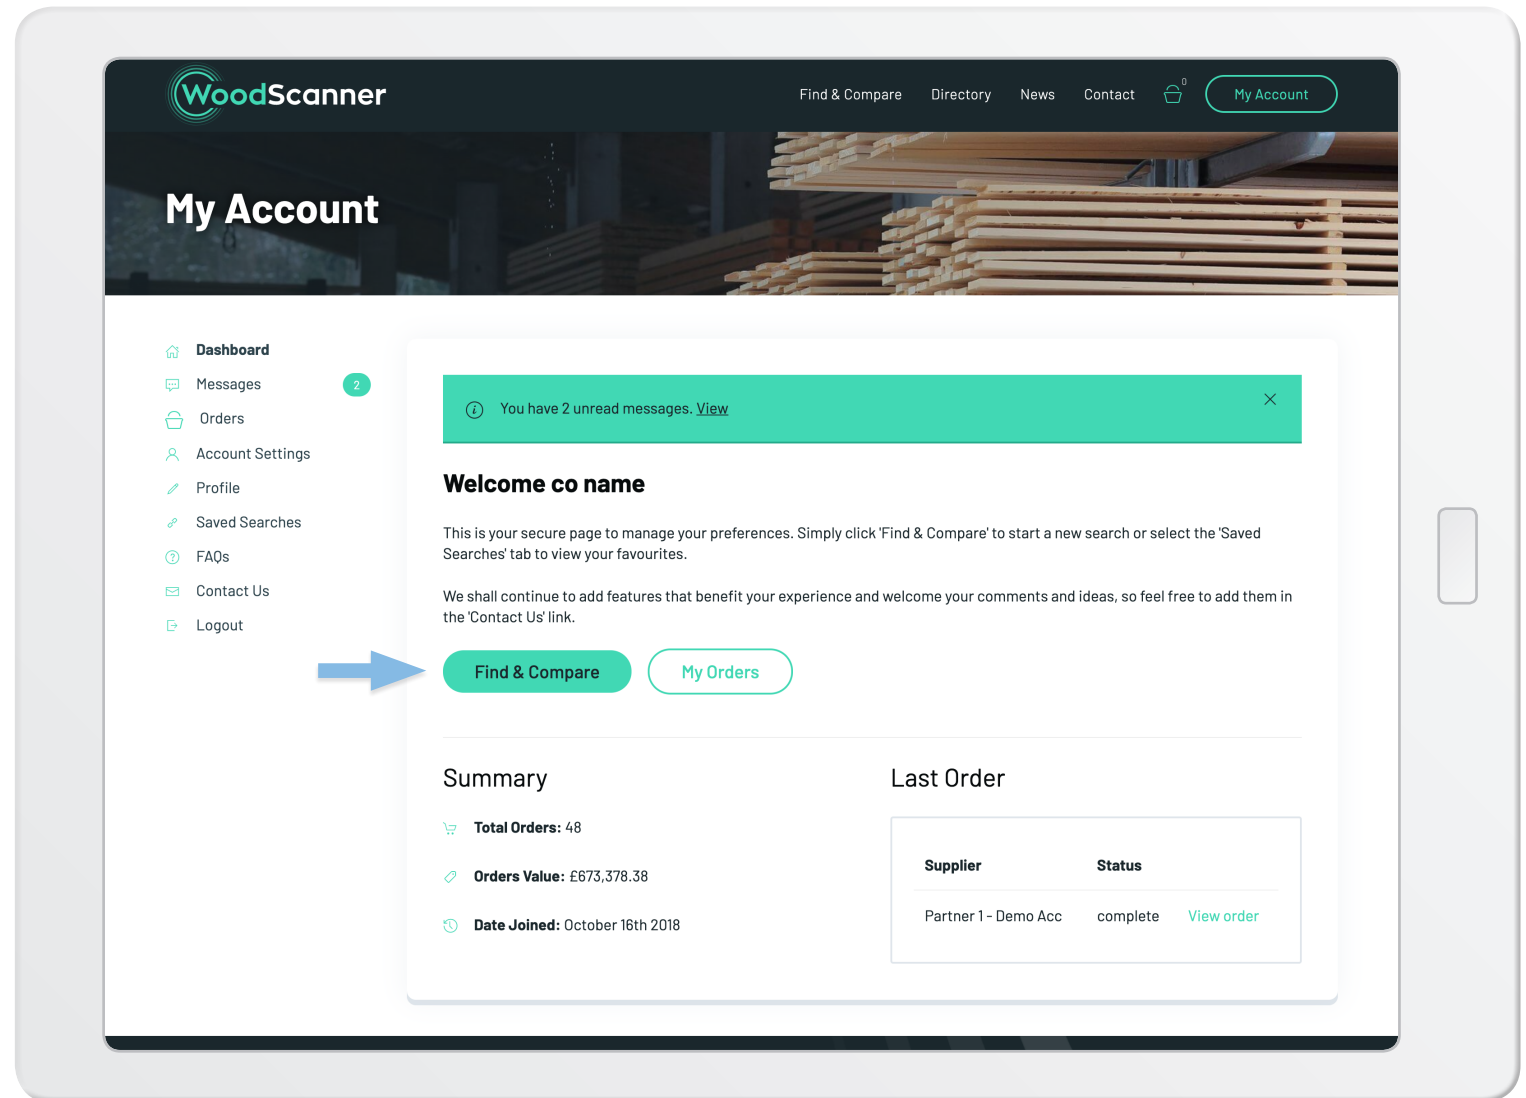

## 1.2

Return to contents

Here you can:

- Change your password to a more memorable one
- View your order history
- Read messages from suppliers
- Store favourite searches

Click **Find and Compare** to begin your search for timber products live on the site

# 2 Find, compare and order timber products

← Return to contents

## 2.1

Return to contents

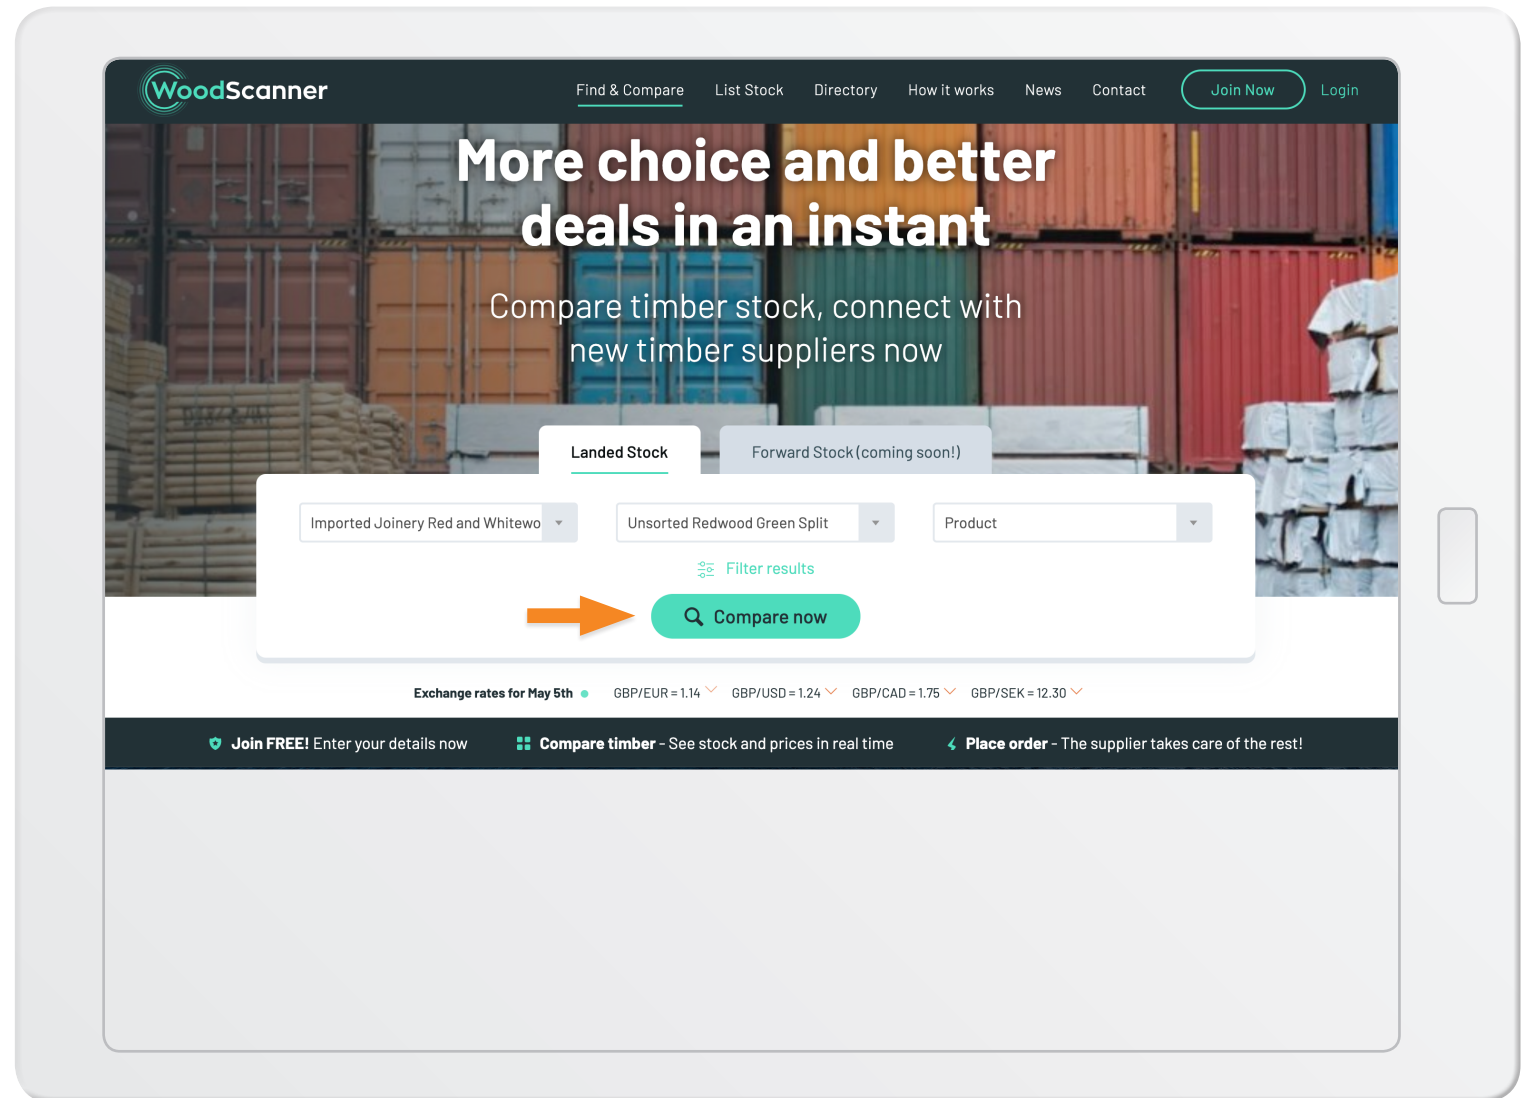

Use the drop down menus to define your search by:

- Product category
- Subcategory
- Product

Selecting just a main product category, e.g. Imported Joinery Red and Whitewood, will display all products in that category

Adding a subcategory e.g. Unsorted Redwood Green Split will display only listings of this name.

**Filter results** or **Compare now.**

## 2.2

Return to contents

Refine results using **pre-set filters**:

- Size
- Port/Location
- Origin
- Supplier
- Certification Body

The more refined your search, the more accurate the comparison.

Save search to your dashboard to save time in future.

The screenshot displays the WoodScanner website interface. At the top, the navigation bar includes the WoodScanner logo, links for 'Find & Compare', 'Directory', 'News', 'Contact', a shopping cart icon, and a 'My Account' button. The main banner features the headline 'More choice and better deals in an instant' and the subtext 'Compare timber stock, connect with new timber suppliers now'. Below the banner, there are two tabs: 'Landed Stock' (active) and 'Forward Stock (coming soon!)'. A search filter overlay is prominently displayed in the center. It contains several input fields: 'Imported Joinery Red and Whitew' (with an orange arrow pointing to it), 'Product Sub Category', and 'Product'. Below these is a 'Filter results' button. A section titled 'For an accurate price comparison, please select a dimension from each of the fields below.' contains three rows: 'Select Thickness' with a value of '100', 'Select Width' with a value of '100', and 'Select Length' with a value of '4200'. To the right of this section are three more input fields: 'Select Port / Location', 'Select Origin', and 'Select Supplier'. Below these is a 'Select Certification Body' field with a value of 'PEFC'. At the bottom of the overlay, there are two orange arrows pointing to a green 'Compare now' button and a blue 'Save this search' link.

## 2.3

Return to contents

After clicking **Compare Now** your listing is revealed in pricing order.

You can also view the suppliers business profile and contact details by simply clicking on the Partners name in the listing.

Click **View specs** to reveal your chosen product or product range.

## 2.4

[Return to contents](#)

A less refined search may display other options.

Available specifications and valid price bands are displayed.

**Click on a product** to continue.

The screenshot shows the WoodScanner website interface. At the top, there's a navigation bar with the WoodScanner logo and links for 'Find & Compare', 'Directory', 'News', 'Contact', and 'My Account'. Below the navigation bar, a link '< Back to search results' is visible. The main heading is 'Unsorted Redwood Green Split'. Below this, there are filters: 'Partner 1 - Demo', 'Sweden', 'Shoreham', 'PEFC', and 'Martinsberg'. A table displays search results with columns for 'Thickness (mm)', 'Width (mm)', 'Available Packs by Length' (0m, 3.6m, 4.2m, 4.8m), 'Full Load (42m³)', 'Half Load (20m³-42m³)', 'Part Load (>20m³)', and 'FOM (Collect)'. An orange arrow points to the '9' pack option under the 4.2m length column for the first row (100mm thickness, 100mm width). Below the table, a message states '2 Truck Bundled Packs Available - Est 5m³ each.' The footer contains sections for 'Compare', 'Quick Links', 'Legal', and 'Stay up to date', along with contact information and a reCAPTCHA form.

Thickness (mm)	Width (mm)	Available Packs by Length				Full Load (42m³)	Half Load (20m³-42m³)	Part Load (>20m³)	FOM (Collect)

[Return to contents](#)

Easily **add stock to your basket.**

The display will auto-adjust as you easily build your load.

The pricing tables will vary to reflect the different ways products are listed and sold.

Click **Add to Basket** to continue with your order or proceed to checkout.

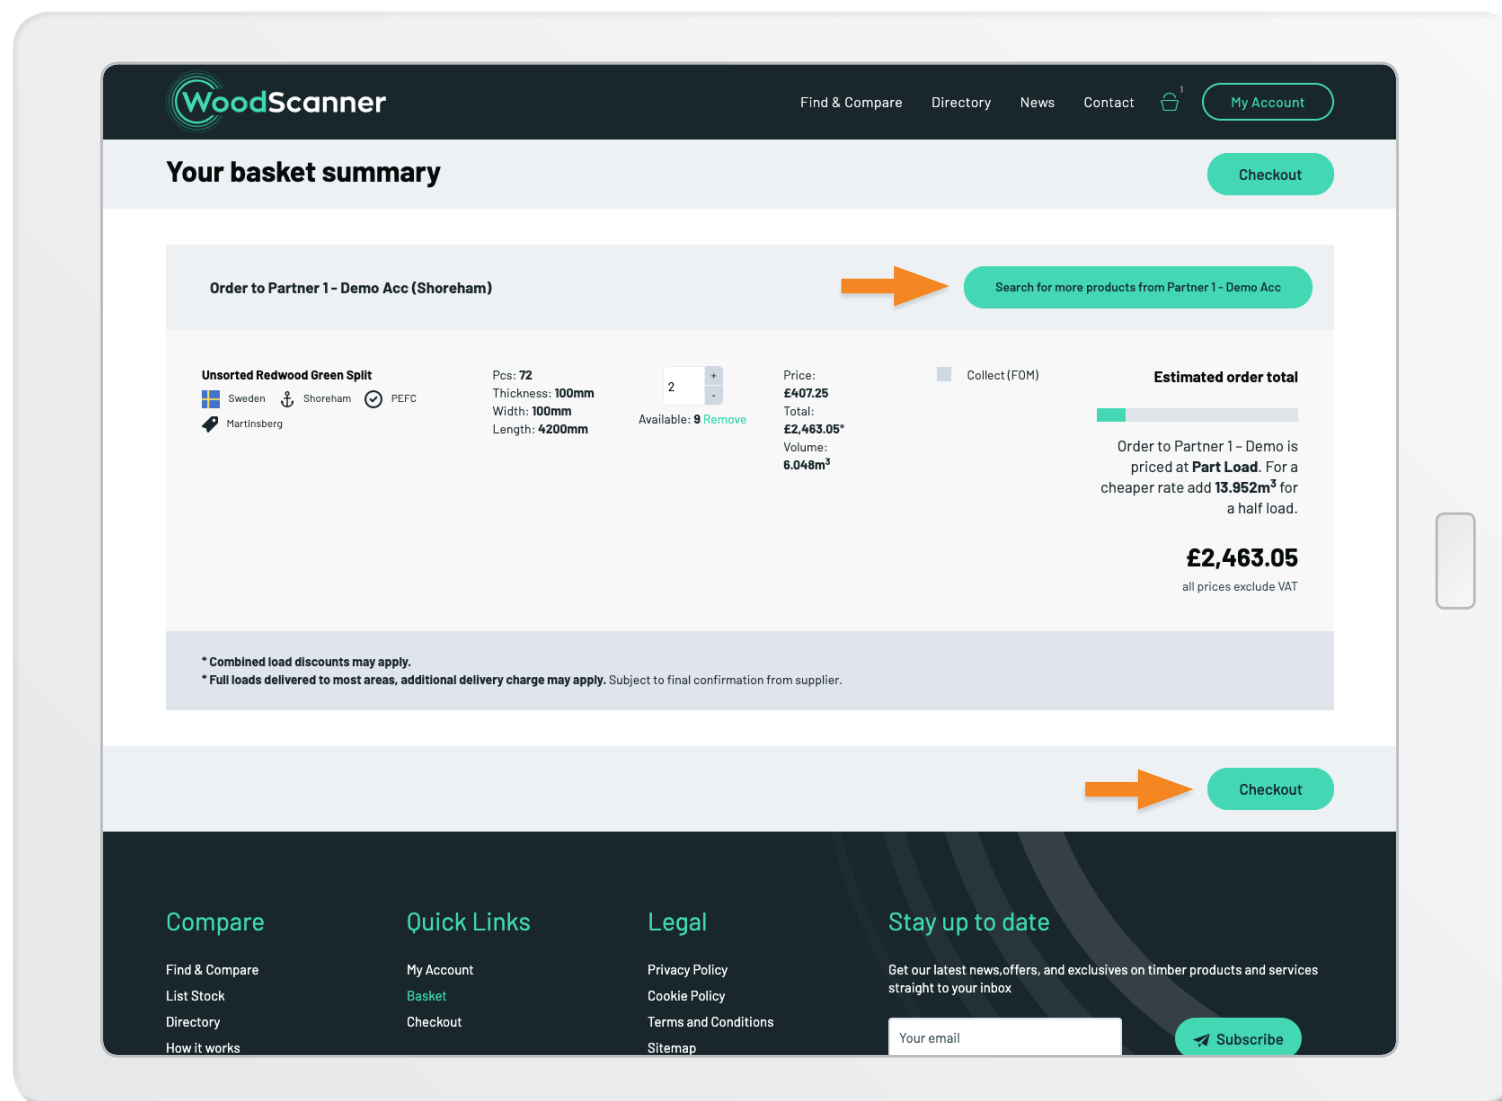

2.6

[Return to contents](#)

To save money you can build your order to take advantage of available quantity/volume discounts using our unique **load building feature**.

Simply select the option to **view more products from the same supplier** or **proceed to checkout**.

## 2.7

Return to contents

The supplier's full catalogue is revealed – easily add products from multiple categories in the same way.

To receive combined load discounts, ensure selections come from the same location. You can do this in the refine search function by selecting location.

Discounts will be applied, and your load and basket will be automatically updated.

The screenshot shows the WoodScanner search interface. At the top, there are filters for 'All Products', 'Product Sub Category', and 'Product'. Below these is a 'Filter results' button. A central box contains instructions: 'For an accurate price comparison, please select a dimension from each of the fields below.' It includes input fields for 'Select Thickness', 'Select Width', and 'Select Length'. To the right of these fields are three more selection fields: 'Select Port / Location' (with 'Shoreham' selected), 'Select Origin', and 'Select Certification Body'. An orange arrow points to the 'Shoreham' selection in the 'Select Port / Location' field. Below these fields is a 'Compare now' button and a 'Save this search' link. The results section shows 'Viewing results 1-3 of 3' and a 'Sort by: Default' dropdown. The results are displayed in a table with columns: Supplier, Product Name, Thickness (mm), Width (mm), Length (mm), Full Load (42m³), Half Load (20m³-42m³), Part Load (>20m³), FOM (Collect), and a 'View specs' button.

# 3 Order confirmation procedure

← Return to contents

## 3.1

← Return to contents

### Now you are connected!

- Carefully read the suppliers checkout notes
- Leave a message for this partner
- Complete your delivery details
- Tick the confirmation box and submit your order.

The supplier will confirm receipt with a confirmation to your inbox.

In the event of a query (e.g. no account set up, etc), you can exchange information using WoodScanner's direct messaging feature in your dashboard.

The screenshot shows a checkout page for a partner named 'Partner 1 - Demo Acc (Shoreham)'. At the top, it states 'You are ordering 2 items for £9,924.17'. Below this, there is a section for 'Partner 1 - Demo Acc (Shoreham)' containing a message: 'The prices offered are for most UK destinations however, areas like the Scottish Islands and any other remote location may attract an additional delivery charge. Whilst we allow buyers to select their "preferred specifications" we shall retain the option to amend and refer back any orders that we deem unfair. We will not be able to offer a split pack option.' Below the message is a text input field labeled 'Leave a message for this partner' with a character count of '0 characters (max length 350 characters)'. Further down, there are two sections for 'Your details': 'Billing address' and 'Shipping address', both containing the same address: 'ABC Timber Centre, Unit A, 123 Wood Street, London L12 345, United Kingdom'. To the right of these, the 'Total Order Amount' is displayed as '£9,924.17' with a note 'all prices exclude VAT'. At the bottom, there is a checkbox labeled 'I accept the Woodscanner Terms and Conditions' and a 'Submit 1 Order' button. Green arrows point to the message box, the address fields, the terms and conditions checkbox, and the submit button.

Partner 1 - Demo Acc (Shoreham)

You are ordering 2 items for £9,924.17.

## Tips and shortcuts to navigate WoodScanner

← Return to contents

**Tips and shortcuts** to help you navigate WoodScanner and use the functions easily.

Click on the **WoodScanner logo** or **Find and Compare** on the header bar from anywhere on the site to get back to the homepage and start a search.

**Some products are listed** in more than one category to help different search patterns - they will behave in the same way when you select them.

**Unless you know exactly what you are looking for**, it's always interesting to just insert the main product category in your search and explore the possibilities that await you.

**If you only want to buy FSC or PEFC products** set this when you filter your search.

**Click on a supply Partners name** in a listing to reveal their contact details and business profile.

Unit 4A The Old Printworks
